

**REMARKS**

The specification has been amended to insert a cross reference to the PCT application upon which the instant U.S. national phase is based. In addition it has been amended to correct minor typographical errors which occurred during the translation of the application. In order to correct a typographical error which occurred in Table 8 on page 132, the page has been deleted in entirety and new page 132 is attached hereto. The correction appears in Ex. 58, column 3 from the left wherein "ZnAc." has been changed to "CaAc."

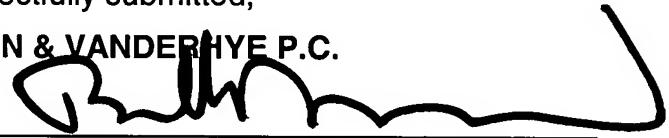

Original claims 1 through 44 have been canceled, and new claims 45 through 87 have been added in order to more clearly and accurately claim the invention.

Examination of the application based on the amendments submitted herewith is requested.

Respectfully submitted,

**NIXON & VANDERHIE P.C.**
